Ratified by Governors: March 2015

Status

Purpose

This policy reflects our belief in a cultural diversity that embraces individuals and promotes community spirit. It is in keeping with our vision that, through our curriculum, we will prepare our pupils for participation in our richly diverse society. It furthers our aim to promote equality of opportunity and good race relations, and to eliminate any form of racial discrimination and prejudice against children, parents, carers, staff, visitors and the wider community served by the school.

It recognises the *multiracial/predominantly white* context of our school and covers members of all ethnic and national groups represented in our school community including *[Gypsy Travellers, asylum seekers and refugees]*.

Using a whole-school approach, we will ensure that we do not inadvertently discriminate. We will achieve this by monitoring and reviewing our practice, planning opportunities within the curriculum for promoting good race relations and dealing with racist incidents effectively. We will implement our strategies for dealing with racist incidents according to guidance provided by the EHRC and the local authority, and in accordance with known best practice for supporting all children, parents, carers, staff and visitors to the school.

Main ECM outcomes: Be healthy; Stay safe; Enjoy and achieve; Make a positive contribution

Who was consulted?

The policy was developed through consultation with all sections of the school community, including parents, and with representatives of the wider community, in particular: *[insert names]*.

Relationship to other policies

Racial equality is an explicit aim in all of the school's policies, and underpins all aspects of the school's work. We have audited our current policies and practice and an equality action plan is included in the school improvement plan.
