

12/12/2017

Dear parent/carer,

After school clubs January 2018.

As you may be aware school will be taking over the after school clubs from January 2018.

The dates, times and prices are detailed below. The clubs will run through our Sims Agora system which is the same system used for school trips and school lunches.

You have already been issued a login but please contact the office if you have not already registered.

There will be a maximum number of places for each club and when the limit is reached the club will close on the system. This is on a first come, first served basis. We will not hold waiting lists for the clubs but will send letters out every half term advising of any new clubs and when you can book for the next sessions. The system allows you to book your child in for the full course until the maximum number is reached.
