

14th May 2018

Earwig Academic

Thank you to those of you who attended our open afternoon to inform you about Earwig last week. Steve from Earwig, will always be happy to answer any questions that you may have if you were unable to attend or did not feel everything was fully explained on the flyer. Please get in touch with him via Earwig Academic online.

We will now be 'going live' for KS1 on Monday, May 21st, which means that from that date you will be able to view all the images we have taken of your children enjoying learning at school. If you have consented to our using photographic images and have given us your e-mail addresses, then you will soon receive an e-mail from Earwig with your own personal login password, unique to you. As soon as you have this, you can log in and start using the app. We do hope that you will find it incredibly useful. Please remember that as a premium parents (£12) with Earwig, you can also download the images to make into school yearbooks or gifts for relatives etc. as often as you like. You do not have to pay anything at all just to view them.

KS2 and EYFS will be going live just after the half term holidays, but we will give you a definite date before we do so and Steve will be back to do another briefing session for parents of children in these classes too. We really do hope that this will be another positive way for us to keep you up to date with the sort of things that your children are involved in at school.

Kind Regards,

Beverley McCallion
Acting Head Teacher
