

The Friends of Rowlands Gill Primary School

Halloween Disco information

We hope you are all looking forward to our next event the Halloween disco!

Once again the event is running in a slightly different way to the past so please take note of the following important points;

- Tickets (£2 to include juice and popcorn) once again MUST be bought in advance and will go on sale via SIMS agora on Friday 5th October and remain on sale until Friday 19th October. Please note this is almost 2 weeks before the disco due to the half term holidays being immediately before the disco
- All children must be collected from their normal exit at their normal time. The EYFS/KS1 disco will start at 3.30. An adult must remain on site for all children attending the EYFS/KS1 disco, and a café will be running in hall 2.
- Nursery children are welcome to attend the EYFS/KS1 disco with an adult remaining on site.
- KS2 children will need to be collected at their normal time and either return for their disco at 4.30 or wait with an adult in the café in hall 2 until their disco begins. Adults do not need to remain on site once their disco begins but the café will remain open for the duration of the KS2 disco for those who wish to stay.

We can't wait to see you all there and thank you again for your support.
