

English

We will be focusing on:

Writing a setting description which is based on the events from the story of [Varmints](#) by Helen Ward. The children will need to use persuasive techniques to write a formal speech linked to saving the environment.

Science

We will be exploring these questions:

Living things and their habitats

How do the life cycles of a mammal, an amphibian, an insect and a bird differ?
Can you explain how pollination occurs?
How do plants spread their seeds? Why?
What conditions are needed for germination?

Computing

We will be exploring these questions:

How should people should deal with cyberbullying?
What are the warning signs that a website might not be secure?
What are some of the dangers of revealing personal information to an online friend?

Year 5 and 6

Spring Term (2020)

Where does food come from?

Music

Charanga: Reflect, Rewind and Replay
Make you feel my love

PE

Gymnastics
Dance

Games - Badminton
Fitness Exercise

Maths

We will be focusing on:

- Fractions
Finding and using equivalent fractions
Converting between improper and mixed number
Comparing and ordering fractions
Understanding fractions as a division
Using fractions to show remainders
- Multiplication and Division
- Decimals and Percentages

Humanities (Topic)

We will be exploring these questions:

How is the land in temperate climate zones used to produce food?
What places in the world does my food come from?
Does the UK export food?
What trade links does the United Kingdom have?

Art and DT

DT: Food

We will be using a range of ingredients from around the world to learn how to cook, bake and follow a recipe.

RE and PSHE

PSHE: Relationships

RE Different Celebrations
