Watch the video above and write something you learned from the characters. It could be about the bear and the elk or the rabbit and the racoon. Who was more successful and why do you think this might be? Who do you think is the best role model?

Maths

It is time to be a teacher and test your grown-ups. Make a quiz of addition calculations for them to complete. Remember you will need to work the answers out first so you can check your grown-ups don't make any mistakes - or cheat! Mark their answers and see if they deserve a merit. Good luck grown-ups, they have very high expectations!
