

Rowlands Gill Primary School
Home Learning Class: Early Years

This week we have been exploring Autumn and the changing seasons.

-Autumn collage -Can you make a collage picture from leaves or sticks you find from your garden. How will you arrange the objects? What do you need to stick them down? Do not forget to put your name on your picture!

-Design a pumpkin using shapes- We are designing pumpkins adding different shapes to their eyes and mouths including square, triangles and circles. (Grown-ups, a template can be downloaded or drawn to complete). What colour will your pumpkin be? What shapes will you use? Can you describe the shape you have used? how many sides and corners does it have?

-Story time

Pumpkin soup <https://www.youtube.com/watch?v=IDax5kx2-Ks>

Percy the Park Keeper - The Hedgehog's Wings <https://www.youtube.com/watch?v=xyeB4iU5FFE>

Maths-

5 Little Pumpkins songs <https://www.youtube.com/watch?v=trDI36m9pgA>

<https://www.youtube.com/watch?v=cm1qvX1ygOo>

Reading - Continue to share your home library books, talk about the pictures, who are the characters of the story, what happened at the end?

Home Learning Challenge

Make your own noisy shaker! You could make a shaker by putting some small items into a plastic pot and covering the top with paper or silver foil. Trying using some different items for the inside of your shaker – you could try rice, buttons, marbles or dried pasta.

Which sound do you like best?

Make a collection of your own noise makers. Think about lots of different things that make a sound and gather them together in a box or bag. Use one of the objects to make a sound for others to guess and identify. You could include things like crisp packets, keys, coins in a pot, a rattle or a squeaky toy.

Go on a Listening Walk! You could go around your house or an outside area with an adult and practise listening carefully to all the different sounds you hear. Talk about what you heard. Did you recognise all the sounds? Were they loud or quiet? Were they long or short sounds?

Play the game 'I Hear with My Little Ear'! Take it in turns to imitate the sound of something and guess what makes that sound. You could imitate the sounds of things found around your house like a clock or a telephone or of recognisable animals like a cat or dog.

Talk about sounds you like and sounds you don't like and why. Draw some pictures of things that make sounds that you like – for example, birds singing, the sea or a doorbell.
