The Runaway Iceberg

Miss Smales will be reading The Runaway Iceberg on Tapestry. Can you listen to the story and talk to you grown-ups about it? Grown-ups can ask these questions: Why doesn't Gasper dive into the water? Do you think the ice broke quickly or slowly? How do you know? Who helps the penguins? What part of the story did you like best? Why?

We listened to the story of The Three Little Pigs. Can you use the pictures below to cut out and order what happened in the story? What happened first? What happened in the middle of the story and what happened at the end? If you are unable to print, draw some simple pictures of the main parts of the story. Grown-ups can mix them up and encourage the children to re-tell the story using terms 'Once upon a time, first, then, next and finally.'

Physical Development

Can you pick up cotton wool balls with tweezers or pegs and place them into baskets. You can make this more challenging by placing them into smaller holes. Can you join with a 10-minute Frozen wake up shake up every day? (See below)

Personal Social emotional

Development

In the story The Runaway Iceberg, Gaspar had to be brave when swimming, and the three little pigs had to be brave when the big bad wolf came, can you think about a time when you needed to be brave? Perhaps riding a bike for the first time or your first day at school. How did you feel? Can you draw a picture of when you were brave?

Dear children

I am feeling very sad now that my three little pigs have left home. I don't have any pictures of them and I would like some to put on my wall. I have heard that you are very good at painting. I was hoping you would paint me some pretty pink piggies! I hope you have lots of pink paint!

Once you have done this, could you take a picture and send it to me? I look forward to hearing from you!

Yours sincerely

Mrs Penny Pig
