

Communication and Language (CL)

Miss Smales will be reading 'The 3 Billy Goats Gruff'. Can you listen to the story and talk to you grown-ups about it? Grown-ups can ask these questions: Where the story is set, Which characters are in the story? What does your child think will happen? How many Billy Goats Gruff were there? Who lives under the bridge? Where were the Billy Goats Gruff going? Why doesn't the Troll eat the littlest Billy Goat Gruff? Who crosses the bridge next? Who crosses the bridge last? What does the Big Billy Goat Gruff do to the Troll? How did the Troll behave towards the Billy Goats Gruff?

At the end of the story can you retell the story in your own words using positional language such as on top, under, behind... Send me a little video...

Physical Development

Miss Latto sessions. I will send the links to you on Tapestry. Using chalks can you draw a bridge and water on the ground outside. Can you draw some stepping stones on the ground and pretend to cross over the bridge? Will you tip toe? Stamp on the ground? Run across the bridge?

Can you make your own bridge using blankets and chairs?

Maths

The 3 Billy Goats Gruff are 3 different sizes. Have a look around your house and find something that is bigger and smaller than you. Can you put them into bigger and smaller order?

Mark Making / Literacy

The troll made some wrong choices and was not very kind to the 3 Billy Goats, do you think you could help me make a card to say sorry or a letter from the troll.

Can you draw three different billy goats? Think about the sizes of each one, can you draw them going over the bridge?

Understanding the world

Have you ever seen a real bridge? Where are there bridges near you? Do you know any famous bridges? What do they look like? Can you find out about a local bridge and tell me all about it in a video?

Try planting grass or cress seeds in different places e.g. dark, light, cool or hot places. Which ones do you think the goats would like the most? Why?

Expressive Arts and Design

Try building a bridge for the goats to get across the river from junk. Is there anything else you could build to help them travel across?

Can you paint a story picture, explore how to mix the colour green to create different shades of green for the grass?

Personal Social emotional Development

The troll was very unkind to the 3 Billy goats Gruff. Can you talk to your grown up about the unkind things he said and did? Try to think of things he could do or say instead.

The goats love to eat juicy grass, what is your favourite food, can you draw it on a plate? Can you write a menu for the day of all your favourite foods?
