

Race for life

By Adam Dias and Noah Clark

On the 19th of October, Rowlands Gill Primary School raised money for cancer research with a race.

We ran around the ks1 and ks2 yard to help raise money for cancer .We drew pictures to pin to our backs and the amount of laps the whole school did was 500+ .It happened on a Friday and we did it all day but for some classes, there go was moved to the afternoon because of the rain .The people who did it in the morning were doing it inside so they didn't get wet while they were running .

Everyone had a fun day and well done to all of the runners!

Clubs in School

Written by Lily Nicholson

Clubs:

At our school we have football at lunch time. There are lots of skilled players.

Another club we have is the guitar club. The guitar teacher is called Craig and is an expert at the guitar.

We also have parkour founded by our PE teacher Miss G Latto.
